Message To Our Partners:

Dear Partner,

Thank you for your efforts and extensive cooperation in maintaining and increasing enrollments.

We are certain that our active cooperation will continue to bring fruits to our organizations. In order to do so, we have included several new features to our already excellent program. By informing your valued prospects about these features, we are confident that their interest in our courses will increase and thus their probability of enrollment.

It is no secret that at present, due to global factors, there are several challenges that our industry faces; nevertheless, we are certain that through close communication, and active cooperation between us, we will be able to bypass these obstacles and obtain the best possible results from our strategic alliance.

Something that is very important for you to consider as a partner of ITTO, is that you can have the confidence when speaking to your prospects about sending them to one of the best TEFL providers in the world and at the same time feel at ease concerning their satisfaction.

Overall, we will continue with the same guidelines for enrollment as we have before as well instruments of payment for commissions that we have been successfully working with in the past.

Once more, thank you for your cooperation and valued support!

International Teacher Training Organization

Who are we?

We, ITTO, the **International Teacher Training Organization** are part of teacher training and language institutes dedicated to providing internationally recognized TEFL, TESOL, and TBE courses and feature different onsite locations worldwide: USA, Czech Republic, Mexico, Peru, Guatemala, Spain, Thailand, Argentina, Canada, Italy and Costa Rica! Our world class Onsite program was adapted by expert tutors to the current online version. The result is one of the best and most affordable Online TEFL/TESOL Certification programs available. ITTO's Online TEFL/TESOL Certificate Programs provide the teacher training and certification required by schools in order to get a professional and well-paid job. Due to the masterful content of our courses, all graduates receive the skills, confidence, and ability to embark on their teaching careers and work in a professional manner anywhere in the world. There are many TEFL schools out there; however, what sets ITTO above others is the actual content of the program, high concentration of input hours, greater quantity of observed teaching practices, plus guaranteed employment worldwide. Once students have completed their TEFL course, they will feel that their skills have been put to the test and that they have gained a wealth of resources and abilities to teach anywhere in the world. Our school is highly committed to education and one of our primary goals is to improve the quality of EFL teaching around the world through our top notch graduates. Putting our school into a few words we would definitely say that ITTO is committed and counts with the resources to put you in a classroom anywhere in the world and have you truly teach English as a Foreign Language.

ITTO - International Teacher Training Organization - is passionate about global education, and we believe that traveling, studying and working in foreign countries will provide an experience of a lifetime that every person in the world should be able to be part of. We have more than 40 years of teaching experience and teacher training understanding in the English Language teaching field. We are always involved in the TEFL world searching for new ideas to make teacher training the best experience possible. We are innovators in the industry, proved by developing one of the first Online TESOL Technology Courses, the only Combined Online course plus 5-Day Teaching Practice Program, and by being the first ever Institution in providing Guaranteed Job Placements to our graduates

ITTO has trained thousands of teachers from around the world in both online and onsite courses, always providing assistance before, during and after getting certified. We have placed teachers in more than 45 countries! Additionally, our organization aims to educate and motivate students. We want you to be in an interactive involved environment. Our graduates are often hired before others in the industry because of ITTO's impeccable reputation. We welcome feedback in this ever-changing field of work and we want our students to come out of this course with not only competence, but also the confidence they need to be successful.

We believe in making a better world through a global education in which teachers spread the love for learning. Contribute in the world of travelling, studying, working and living abroad at the same time you encourage your students to see the world; Join the TEFL community, join ITTO!
